NOVAK DJOKOVIC STATEMENT

MOTIVATION

"My goal is to keep on playing tennis. That's the ultimate goal. For as long as I really feel like it and as long as I can play."

COACH VAJDA SPLIT

"What a journey Marian. 15 years! You have been by my side during the most important & memorable moments."

MEDVEDEV WORLD #1

"It's in his hands. He deserves to be No. 1. Eventually it's going to happen. If it happens this week, I'll be the first one to congratulate him."

FORMAT GUIDELINES

- Logos – tournament and series have to appear together, cannot have one without the other. Unless it is the Nitto ATP Finals or the Next-Gen Finals.
- Logos - if tournament related both tournament and series, otherwise if 'all time / career / season' we can remove all logos
- Logo - Vertical line after rankings logo when a title is needed
- Logo - If the graphic is highlighting rankings then the rankings logo should be used in the title, even if not using the rankings template (pg 20).
- Logo – Pepperstone logo should always appear on pepperstone events
- Text - Always title case
- Text – Winners strap 'Champions' graphic name super – 250/500/1000.
- Text - Court conditions always – never weather – or playing conditions even when no CPI for consistency
- Text - 'ATP Masters 1000' full name instead of 'Masters' or 'Masters 1000' where possible and space allows
- Text - Use “V” when showing an opponent. E.g. Rafael Nadal V Novak Djokovic
- Text - Year first then event - On any text display
- Player headshots only used if both players have an image
